okrajové hrany

The diagram illustrates a cross-section of a building's exterior wall and roof junction. Key components include:

- Roof Structure:** A sloped roof section above the main wall.
- Wall Assembly:** Consists of multiple layers, including structural masonry and various insulation materials represented by different hatching patterns.
- Ventilation Details:** Indicated by red arrows and labels such as "ventilacek" (ventilation) and "okna" (windows), showing air flow paths through the assembly.
- Labels:** Specific technical annotations like "0,02 x 0,02" and "0,02 x 0,02" are present, likely referring to material thicknesses or dimensions.
